

UPSIDE DOWN (Acts 11:19-30) September 6, 2015 Pastor Scott Baker

God was using the early church in mighty ways. One of the reasons why He was using them in such a mighty way was because they were..._____.

1. So, what we see here from these believers that is a result of their FOCUS on Jesus is that they were...._____.

They were _____ on Jesus and _____ to do His work.

We must also do all that we can to come _____ of new believers to _____.

2. He found him and brought him back to Antioch and now we see the second result of being focused on Jesus....They were...._____.

A Christian who says they want to be more like Jesus, but does not read His Word is like a person who wants to _____, but refuses to _____.

So, we must have a _____ of God's Word to be a growing, healthy believer!

3. So, we see that the early church was FOCUSED on Jesus by their DETERMINATION, by their DISCIPLESHIP, but there is one more proof of their FOCUS on Jesus and that is that they were...._____.
