

**GOD IS IN CONTROL!**

This is an easy thing to say, but do we really \_\_\_\_\_ it?  
Can we \_\_\_\_\_ say that regardless of the situations we find ourselves in, that we believe without a doubt that God is really in control?

**(23:1)**

Can we \_\_\_\_\_ say right now that we have a clear conscience before God?  
Do we know that we are being \_\_\_\_\_ to do all that He has asked us to do?

Paul knew that he was faithful to his calling to preach the gospel and that he was not guilty of what they were saying about him, but he was not \_\_\_\_\_. **(Romans 7:15-20)**

Paul also understood that he was not \_\_\_\_\_ because of any past, present or future sin. **(Romans 8:1)**

**(v.2-5)**

We hate \_\_\_\_\_ our sin. We seek, just like Adam and Eve, to \_\_\_\_\_ everybody else!  
Take a lesson from Paul and see that someone with a clear conscience before God \_\_\_\_\_ themselves and admits it when they sin!

**(v.6-11)**

God shows us time and time again that He really is in control through His \_\_\_\_\_!

**(v.12-22)**

Paul's nephew was the right person at the right place at the right time to accomplish God's purpose of \_\_\_\_\_ Paul!

In **(v.23-35)** we see yet again How God comes \_\_\_\_\_ for Paul!
