

THE 100 CHARACTERISTICS OF A REAL CHRISTIAN LEADER
Part II: 15-26

From the Book of Nehemiah

One of the greatest leaders in history is Nehemiah. He was Cupbearer to King Artaxerxes, a position of great honor, respect, and trust. He was close to the King.

Nehemiah discovered that the wall of Jerusalem continued to be in ruins. No one had done anything about it, although it was attempted once (Ezra 4) and they quit. The Jews has been back for almost 100 years from captivity, but things hadn't changed. Without the walls of gates, the city was vulnerable, unprotected; plus, God's reputation was at stake.

That's where Nehemiah steps up. That's when a real leader emerges during difficult times and seemingly impossible situations. Today we want to focus on the responsibilities, the leadership qualities, of those in authority. What does a real godly leader look like?

Leadership is Influencing people toward the will of God, serving them, empowering them, motivating them, and equipping them to accomplish a God-given GOAL.
