

We've Never Been This Way Before

Proverbs 29:2

*"When the righteous are in authority, the people rejoice,
But when a wicked man rules, the people groan."*

We are again at a defining moment in the history of our country. Ecclesiastes tells us there is a time for war. Whether we want to believe it or not, we have been at war for a long time. But, our complacency has given rise to accepting a faulty idea of tolerance and we have bought into the liberal notion that if we ignore something long enough, it will go away. It won't, it will only get worse.

I. Problem Revealed

The question is not, "Is God on our side?" The question is, "Are we on God's side?" Presidents come and go every 4 or 8 years, but the people they appoint, especially in the judiciary, can impact our nation for better or worse for generations.

II. Pragmatic Response

Don Wildmon said:

It's called _____. Me?

It's called _____. Me?

It's called _____. Me?

It's called _____. Me?

It's called _____. Me?

It's called _____. Me?

It's called _____. Me?

Where were the Christians? Why, they were
_____. Me?

Prayerful Response

Christian today must courageously rise up with a united voice, calling this nation back to God and to the truth of His Word. We must hold God's Word in one hand, the Constitution in the other and be filled with the love of God.

The stand one little girl took.

Oh yeah, what about that Presbyterian pastor?
